

## Resource Guide

Transforming the traditional grant-making process includes honoring the wisdom of those who workday-in and out with the community. As such, we have not prescribed a specific model for you to use in this process. However, there are some models/frameworks/approaches that we are familiar with that could have natural alignment with your proposal. As such, we offer these for your consideration. Please note, no additional scoring consideration will be given for selecting one (or more) of these approaches. This is solely to support your successful application.

[Asset-Based Community Development](https://resources.depaul.edu/abcd-institute/Pages/default.aspx) - a methodology for the sustainable development of communities based on their strengths and potentials/ <https://resources.depaul.edu/abcd-institute/Pages/default.aspx>
